<p class="lead">Thank you for visiting my page! I was born in Bangladesh but was mostly raised in
America. I speak 3 languages (Bengali, English, and Hindi) and love to read. My favorite author is
Rick Riordan, and I mostly enjoy fantasy novels like Percy Jackson! I am really passionate about
cooking, however I know I cannot pursue this as a career at the moment. I love trying new foods and
dished, but nothing can beat a good burger and a side of well-seasoned fries. One fun fact about me
is that I do not like drinking soda. I prefer to drink just water with my meals. When I feel fancy I like
to add in lemon slices or other fruits. One of my favorite tv shows of all time would be Avatar: The
Last Airbender. I probably have already watched it for about 5-6 time, but would not hesitate to watch
it all over again. When I am older I would love to travel around the world. One place I definitely want
to visit is the island of Greece. I love the architecture and history of that place! Plus, I am a huge
Greek mythology fan! Currently, I am not sure what I want to study or what my career path should
be, but I want to keep my options open.</p>
